

Subject: Join Us for "Dining with the Radiologist" Event on May 29!

Dear Colleague,

We are excited to announce our upcoming event, "**Dining with the Radiologists**", scheduled to take place on May 29th, 2024, 6pm-8pm.

The event offers a wonderful opportunity for undergraduate students interested in radiology to connect with residents and faculty in the field. It is intended to provide a safe space for questions to be asked and answered in order to promote a balanced understanding of radiology as a medical specialty complete with its challenges and benefits. This event also provides an opportunity for radiology residents to interact with faculty and to promote and build trainee-faculty mentoring or sponsoring relationships and as well as build a sense of community. All medical students, radiology residents and faculty are welcome to attend this event.

We are currently seeking volunteers to join us for this enriching experience. As a volunteer, you'll have the opportunity to answer questions, share insights, and provide guidance to medical students eager to learn more about radiology and to encourage them to consider radiology as a career choice.

Event Details

Date: **Wednesday May 29**

Time: **6PM-8PM**

Location: **Toronto General Hospital, Room 1EN429 & 1EN430, 1st Floor**

If you are interested in volunteering for this event or have any questions, please send us an email at medical.imaging@utoronto.ca before **May 20th**.

We look forward to your participation in making this event a success!

Warm regards,

Elsie Nguyen
Vice-Chair of Support, Inclusion, Diversity, Equity (onSIDE)
